

## Cisco Polaris Project (HQ)

Istanbul, Turkey

**Client**  
Cisco

**Value**  
US \$1,6 million

**Completion**  
August 1999

**Assignment**  
Project Management

Bovis Lend Lease was awarded a project management assignment for fitout works of Cisco Systems new H/Q Office project in Istanbul.

This 18,700 sq ft office fitout work is located in 21 and 22 floors of an office tower in Maslak named Polaris.

As Project Manager, in order to provide a fully-fitted out office to include all furnishings, fixtures & fittings, including specialized Comms Room, BLL completed the work in 6 packages as per the Cisco standards on time and within budget.
